

# ***Accidents Don't Have to Happen: Think Safety***

## **Certified Emergency Vehicle Operation Course (CEVO)**

Presented by: James P. Neary, EMT-P

This is not your run of the mill CEVO or EVOC course.

This is a DriveCam video based program of ambulance and fire apparatus drivers in actual driving events, there is adult language and graphic videos in this program.

**Location: Genesee County Fire Training Center**

**Date: February 26<sup>th</sup> 2011**

**Time: 0800- 1600 (8 am- 4 pm)**

***(a light breakfast and lunch will be provided)***

***This Course is Free***

***Pre-Registration is Required: Call Lake Plains  
Community Care Network 585-345-6110***

Upon successful completion the attendee will receive a National Safety Council certificate that does satisfy the NYSDOH requirement that ALL drivers of ambulances have EVOC, CEVO, or insurance based program (such as VFIS) every 3 years. Some insurance companies (not all) do accept the certificate for a reduction on the liability portion of your insurance.

**Please note this is not an EVOC course and therefore does not meet the requirements for Pump Operators.**
