Change in Level of Care

Application and

Informational Packet

Date Completed: ___/___/___
Regional Coordinator: _____

GUIDELINES/INSTRUCTIONS FOR CHANGE IN LEVEL OF CARE APPLICATION

This packet is designed to help you through the process of changing your level of care. Paperwork can be very difficult and sometimes confusing. _____ has put together this informational packet to help you through this process. If you have any questions, please do not hesitate to call the _____ office.

Letter of Intent

This letter is to state your intent to change your level of care and should be addressed to the chairman of the WREMAC. This letter should include notification of your intent to change your level of care, what equipment you have or will be purchasing, and who will be the Agent of Record for maintaining records for ALS supplies. Also in the letter you should state something regarding your participation in a quality assurance program.

Approval of Medical Director

A letter from your medical director or operational medical director is necessary for you to change your level of care. This letter needs to state that he/she consents to being your Agency's Director and allows your personnel to work under their license. If you are unsure of whom your medical director is, please contact the _____ office.

Level of Care Change Form

This form must be completed and returned to the _____ office along with your letter of intent and approval letter from your medical director. _____ will obtain the signatures of both the WREMAC Chairman and Regional EMS Council Chairman.

Other Documents

- ✓ Level of Care Change Form
- ✓ WREMAC Required ALS Equipment List
- ✓ NYSDOH Operating Certificate (copy)
