Ethical Concerns in EMS

An open discussion on navigating tough decisions in the grey areas of emergency response and treatment.

This is a free event. - All provider levels from all agencies are welcome!

Dr. Wear will be engaging in open discussions and giving insight into the ethical implications of what we do in the field each day. We expect a thought-provoking, and enlightening evening!

August 11, 2015 from 7-8:30pm

Location: Twin City Ambulance 555 Commerce Dr. Amherst, NY 14228

Presented by:

We are honored to have Dr. Stephen Wear, PhD as our guest presenter!

- Co-Director of UB Center for Ethics & Humanities in Health Care
- Ethics Officer at the VA Medical Center

7win City Ambulance

1.5 CME Credit hours
