Dear EMS Council Chairperson:

Finger Lakes Community College is in the process of searching for a **Full Time Paramedic Instructor** for our program. We originally posted this position to the DOH Google website with minimal success. We have been encouraged by the DOH to send to each regional council to see if you would post to your website to assist us in our search. We would greatly appreciate it.

The position is for a **Full Time Paramedic Instructor** who will also assume the role as **Paramedic Program Director**. This is a full time 12 month position. Salary commensurate with experience and an excellent benefits package offered. For further information please visit the College's website at www.flcc.edu. Proceed to Employment Opportunities, scroll down to the Paramedic Instructor listing.

This is a great time for a NYSDOH BEMS Paramedic Certified Instructor Coordinator to begin a new opportunity. If you have any further questions, please feel free to contact me at 315-789-0108. We are looking forward to this new adventure as well.

Regards,

A handwritten signature in black ink that reads "Donna M. Spink".
