

# Tactical Emergency Casualty Care Awareness

## A Primer for Tactical EMS Response

**Four Sessions Open – Attend One:**

**March 22, 2016 - 7pm - 11pm**

**March 26, 2016 - 8am – 12pm**

**April 5, 2016 - 7pm – 11pm**

**April 9, 2016 - 8am – 12pm**

**Twin City Ambulance Training Center – 555 Commerce Drive**

Course will introduce providers to the concepts of tactical responses and EMS in austere environments including rapid patient assessment and movement, situational awareness, tourniquet application and wound packing, threat assessments, and more. This course is a primer to the certification TECC course providing an overview of concepts.

Attendees will be engaged in “hands-on” activities so dress appropriately for movement, bending, working on the floor, etc.

Course is free, but seating is limited, so register ASAP!

## Presenters:
