

Position Description and Qualification: WREMAC Preceptor

About:

A WREMAC preceptor is authorized to verify competency for the required annual skills as detailed in WREMAC Policy #2013-1. A preceptor may verify competency up to his/her privilege level within the WREMAC.

Preceptor Qualifications:

Candidates shall be considered qualified upon meeting all requirements, as follows:

1. Valid NYS Certification as an EMT, EMT-Intermediate, AEMT, EMT-CC, or Paramedic
2. Active membership in an EMS agency within the WREMAC catchment area (Allegany, Cattaraugus, Chautauqua, Erie, Genesee, Niagara, Orleans, and Wyoming Counties)
3. Approval from the Agency Medical Director(s).
4. Successful completion of the WREMAC Preceptor Training Course or meet the "Alternative Qualification" requirements detailed below.

Alternative Qualification:

A Certified Lab Instructor (CLI) or Certified Instructor Coordinator (CIC) with a valid, not expired, NYS instructor certification is eligible for WREMAC preceptor privileges. The CLI/CIC must notify the regional EMS program agency of their intent to serve as a WREMAC preceptor and, if requested, provide verification of their NYS instructor certification.

A CLI/CIC is encouraged to attend a WREMAC Preceptor Training Course.

Validation Period:

Preceptor privileges are valid until any of the following occurs:

1. The preceptor's NYS provider certification lapses; or
2. The preceptor is taken off-line for a patient care concern; or
3. The preceptor fails to meet the requirements set forth in WREMAC Policy #2013-1;
or
4. The preceptor privileges are revoked by the medical director or WREMAC.
